Dear Parents/Carers,

We are excited to welcome yourselves and your child to Catshill Middle School where we look forward to you joining us officially in September 2025 and building strong relationships over the next 4 years. The transition from primary school to middle school can be a daunting experience and therefore we want to offer that reassurance that we understand the needs of your child and the importance of clear communication and organisation to make the process as smooth as possible. We have already begun communicating with your child's current school to gather vital information and begin the process.

All pupils will be invited to a transition event on Monday 14th July from 10am-12pm, further information will be sent out to yourselves closer to the time alongside a letter with a slip for you to return, this will contain the information for the day alongside arrangements for your child's drop off/collection to the school. Our larger feeder schools will also get a visit from our KS2 Pastoral Lead, with smaller schools offering a video consultation in order to share further information regarding the transition and more information will be shared on the transition page of the school website.

More information on this will be added throughout the Summer term so please check regularly. Students will additionally receive an induction day invitation in September prior to the term officially starting for all pupils in order to ease their transition, on this day students will complete their 'Moving On' booklet they will have started at their first school during Summer term and so please make sure they have this with them. As parents/carers you will also be invited to attend an information evening on Thursday 10th July from 6-7.30pm where you will be shown a presentation containing vital information before having the opportunity to meet their new class teacher and ask them any questions you may have.

We look forward to welcoming you then.

Mrs-Ellis Baxter  
KS2 and Transition Lead
