CATSHILL MIDDLE SCHOOL

Achievement, Challenge, Opportunity

Information for Parents and Carers

The SEND Code of Practice

Areas of Special Educational Needs (SEN)

- Communication and Interaction
- Cognition and Learning
- Social, Emotional and Mental Health
- Sensory and / or Physical Need

What if I think my child has SEN or have a concern?

For further information, refer to our information report on the school website or contact Mrs Nesbitt (SENCO) on 01527 872431 or email direct on pjn15@catshill-middle.worcs.sch.uk.

Appointments are available with the SENCO or her assistant Mrs G Stallard (Monday to Wednesday) where necessary.

The Graduated Response

The Code of Practice sets out a graduated approach where children's needs are assessed and targets are planned, implemented and reviewed on a regular basis.

Assess → Plan → Do → Review

At Catshill, all teachers set targets each term. These will be based on four areas of SEN:

- Communication and Interaction
- Cognition and Learning
- Social, Emotional and Mental Health
- Sensory and / or Physical Needs

But may be more subject specific for English and Maths, particularly if your child's need is cognition and learning.

Special Education Needs Support (SEN)

Children who have specific needs and / or are working below expected levels are placed on the SEN register. They are issued with a Pupil Profile which is sent home to parents yearly and have an Individual Provision Map (IPM). These are reviewed at the end of each term using red-amber-green traffic light system. Parents are invited to discuss and contribute to these at the termly SEND Drop-In clinics, held on the last Wednesday of every term.

For those children who, despite targeted group support, are making little or no progress, external agencies may be involved to advise school and assist further. All information is recorded on the individual pupil profiles.

Education Health Care Plans (EHCP)

In a minority of cases, some pupils with need for long term support tailored at an individual level may require an EHCP (which replaces the former Statement of Educational Need).

Levels of Support

At Catshill we strive to meet the needs of all pupils through our excellent teaching and learning, providing an enquiry and discovery curriculum with differentiated work and a personalized approach.

Wave 1

Quality First Teaching

This is the delivery of high quality, inclusive teaching within the classroom taking account of the learning needs of all pupils.

Wave 2

This is for pupils who may require further support to help them to meet age related expectations. Additional help may be provided through group Interventions with those pupils who have similar needs.

Wave 3

This is for a minority of pupils where individual highly tailored interventions take place to accelerated progress to enable them to achieve their potential.
